14th ANNUAL CONFERENCE OF INDIAN CHAPTER OF INTERNATIONAL HEPATO-PANCREATO-BILIARY ASSOCIATION

Dates: 27th - 29th, Jan 2017 | Venue: Shangri-La Hotel Bengaluru, No.56-6B, Palace Road, 080 45126100

Conference Highlights:

An opportunity to hear from some of the most important surgeons, who have stamped their mark in the field of HPB malignancies. Each will speak on a separate topic reflecting their career's passion (Liver, Pancreas, and Transplantation Surgery). Highly esteemed leaders in surgery will provide their keen insight on significant topics for which they are highly recognized. These will occur in exclusive time frames to maximize exposure to the delegates.

Keynote Lectures

These are state-of-the-art presentations of highly topical and timely subjects in HPB malignancies, addressed to all Congress participants. Leading international speakers, with considerable expertise in the subject at hand, have been invited to conduct these Keynote Lectures.

Meet the Professor

Meet the Professor breakfast sessions allow delegates to meet in a small group with renowned researchers and clinicians.

Symposia

Symposia are significant educational sessions aimed at critically reviewing diverse aspects of a specific topic. Moderators will oversee between 4-6 focused talks which probe the depth of the topic.

Debates

Debates allow speakers to debate controversial topics in an attractive format which provides "food for thought". Questions for which we have no good answers yet are featured.

Updates

These are sessions in which speakers are expected to provide objective, exhaustive reviews in a field, either clinical or basic. Issues regarding diagnosis, management and different aspects of research will be evaluated.

"Best of the Best" Session

The Top 5 competitive abstracts of the conference the "Best of the Best", will be featured in an exclusive plenary session open to the full membership.

E-Poster Sessions

Delegates will be able to view submitted electronic posters during the Congress at designated workstations located throughout the conference area. Poster sessions will take place each day. During these sessions presenters are available to discuss their work and answer questions from delegates and alongside their posters.

Tricks of the Trade

Clinical Trials in Progress

Also new for 2016, selected clinical trials in progress will be presented by their investigators with the opportunity for vibrant discussion and feedback.
