Job Description

Description:

Shared Health, (1502-155 Carlton Street, Winnipeg MB R3C 5R9), and the University of Manitoba, Department of Surgery (business addresses noted below), invite applications for a full-time academic Hepatobiliary and Pancreatic Surgeon to fill our labour shortage in Manitoba commencing on July 1, 2023(or on a date mutually agreed upon). Main job duties include perform surgical procedures treating a wide range of illnesses, prescribing medications and treatment, ordering lab tests and x-rays and other diagnostic procedures, consulting with other physicians as required and medical research which job duties encompass 90% of the position.

The successful candidate would also be eligible for appointment at the rank of Assistant Professor, and appointed as a geographical full-time member of the Max Rady College of Medicine, Rady Faculty of Health Sciences at the University of Manitoba, which job duties encompasses 10% of the position. Job duties are required in English.

The candidate must be eager to work in a group setting, showing commitment to working in a collegial and supportive manner with other hepatobiliary surgeons. In addition, the surgical hepatobiliary service has a strong track record of exemplary resident and medical student teaching that we wish to continue. The position does have ample non-clinical time where a commitment to education or research would be a strong asset to the group.

The HPB Service will consist of 3-4 HPB surgeons at the Health Sciences Centre in Winnipeg. HPB surgery is supported by interventional radiology, GI medicine, and hepatology. Regular multidisciplinary meetings are held with these groups, and medical and radiation oncology. The group is further supported by surgical oncologists with expertise in colorectal surgery, melanoma, sarcoma, and neuroendocrine tumors.

Qualifications:

The successful candidate must hold a Doctor of Medicine Degree with specialization in General Surgery. The successful candidate must be eligible for certification with the Royal College of Physicians and Surgeons of Canada, and registration with the College of Physicians and Surgeons of Manitoba. The clinical position would have its main focus in hepatobiliary and pancreatic surgery.

Laparoscopic skills would be a strong asset. Endoscopy time is included in our general surgery resources. A broad and capable skillset to manage busy general surgery call at a large tertiary centre is required. Clinical research is an expectation. Additional postgraduate training in education or research would be an asset.

Compensation:

Compensation is a minimum income guarantee (\$326,400/annual), derived from fee-for-service income.

Specialty Physicians may be eligible for a recruitment incentive. Please contact physicianrecruitment@sharedhealthmb.ca for further information.

Benefits, available from the University of Manitoba, include pension, life insurance, disability, dental coverage, supplementary health coverage and a healthcare spending account.

Primary Site Location:

Health Sciences Centre – 820 Sherbrook Street, Winnipeg MB, R3A 1R9

Contact:

Applications, accompanied by curriculum vitae, a list of publications and the names of three referees should be sent to Dr. Ed Buchel, Head, Department of Surgery, University of Manitoba via email to astgermain@hsc.mb.ca.

An inclusive, open and diverse community is essential to excellence and fosters voices that have been ignored or discouraged. To address the Rady Faculty of Health Sciences commitment to equity, diversity and inclusion, and in recognition of the underrepresentation of members of historically and currently excluded groups, we take proactive measure including implicit bias training for all hiring panels. We strive for diversity and cultural safety throughout the hiring process (hiring panels, short-list of candidates, interviews). We encourage you to self-identify any aspect of diversity in your cover letter.

The University of Manitoba and Shared Health are committed to the principles of equity, diversity & inclusion and to promoting opportunities in hiring, promotion and tenure (where applicable) for systemically marginalized groups who have been excluded from full participation at the University and the larger community including Indigenous Peoples, women, racialized persons, persons with disabilities and those who identify as 2SLGBTQIA+ (Two Spirit, lesbian, gay, bisexual, trans, questioning, intersex, asexual and other diverse sexual identities). All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority.

If you require accommodation supports during the recruitment process, please contact um.accommodation@umanitoba.ca or 204-474-7195. Please note that this contact information is for accommodation reasons only.

Application materials, including letters of reference, will be handled in accordance with the protection of privacy provisions of The Freedom of Information and Protection of Privacy (Manitoba). Please note that curricula vitae may be provided to participating members of the search process.

Position remains open until filled.
